

Another way ACDelco is helping you help your valued customers. Roadside Assistance Customer Support benefits can be available to all affiliated member repair shop customers - wherever they travel - at home or away.

HOW DOES IT WORK:

All ACDelco PSC program members qualify to offer this program at no charge to your customers who buy more than \$25.00 in ACDelco parts at one service appointment. It is up to your discretion as to whom you want to offer it to. Because there is value associated with this offer, we recommend you distribute it accordingly. **Customers must locate their own Roadside assistance if they would like to take advantage of this offer*.**

SERVICES THAT QUALIFY FOR A CLAIM INCLUDE:

- **TOWING** - customers that are less than 40 km away from the original repair facility will be towed back to the facility. Customers more than 40 km will be towed to another repair facility.
- **FUEL, OIL, FLUID AND WATER DELIVERY SERVICE**
- **BATTERY JUMP START**
- **FLAT TIRE CHANGING ASSISTANCE** - installation of the customer's useable spare tire.
- **LOCK-OUT SERVICE**
