

ACDelco WINTER BEAM WIPER BLADES

Help your customers brave the cold with ACDelco Specialty Winter Beam wiper blades. The specially designed blades combine premium beam blade technology and rugged construction to provide maximum performance in winter driving conditions.

HIGH QUALITY AND COVERAGE

ACDelco Winter Beam wiper blades provide the coverage you need at the quality you expect. Each of the line's ten part numbers feature a wedge-shaped spoiler to easily shed snow and ice, while the exterior armour ensures critical components are protected.

You will have some of the best vehicle coverage with 98% of vehicles in operation (VIO).
