

In-store Marketing Solutions

10 Foot Wave is now **Spectrio** and has more solutions to offer.

ACDelco Canada Program, open exclusively to all active ACDelco Automotive Care Experts, Professional Service Centre and Retail Service Support Program members.

Engaging customers in-store is an important stop on their path to purchase. With our platform, you'll optimize common customer touch points such as when they call, when they're at your counter, and while they wait, and turn them into selling opportunities. And with access to our library of automotive content and talented designers and producers, you can quickly create and update the messaging that's most relevant to your brand.

ENGAGE YOUR CUSTOMERS

Digital Signage

Visual marketing that engages, educates, and entertains customers.

On-Hold Marketing

Engage customers even if you have to place them on hold.

DIGITAL SIGNAGE

Customers buy when they understand. So whether they're at your counter, in your waiting area, or you're dealing with them one-on-one, equip yourself with the tools and content to build their knowledge about your brand. From pricing and promotions, to the reasons why different repairs are important, use Digital Signage to demonstrate value and build trust.

Player & Setup
Plug-and-play, preprogrammed media player.

\$170

Any Digital signage product. \$80

Additional discounts for Tier 4 & 5 PSC members

ON-HOLD MARKETING

85% of your customers who call prefer on-hold messages to silence. On-Hold Marketing combines custom messaging and music that can increase call retention, promote specific services and drive revenue.

Player & Setup
With Self installation

\$135

Our quarterly update package. \$59

Professional on site installation available starting at \$265

Additional discounts for Tier 4 & 5 PSC members

Educate Customers On Demand

Free with any service, or sold separately for \$420 annually - Vehicle on Demand takes the complexity out of car maintenance by explaining complicated repairs with simple language and 3D animations. Use it on your Digital Signage, or any mobile or tablet device with the VOD app.
