

ACDelco Gold Water Pumps GOLD

All ACDelco Gold water pumps are designed with the same fit, form and function as OE water pumps.

PRODUCT HIGHLIGHTS

- Over 600 total part numbers
- Extensive GM and all makes vehicle coverage
- 24 months / 40,000 km limited product warranty

FEATURES	BENEFITS
Use of coated seals	Seal Longevity
Housings and impellers use OE designs with regard to specified materials (die cast aluminum, cast iron, or stamped steel depending on application)	Designed with the same fit, form and function of OE water pumps
Shaft assemblies are heat treated	Provides superior strength and durability over non treated Assemblies
High quality bearings are permanently sealed and lubricated	Greater durability and long life
Steel hub with clearly visible quality inspection marks	Proves 100% of ACDelco pumps are inspected for functionality and manufacturing quality
ACDelco logo is etched into every pump	Confirms ACDelco authenticity
100% of pumps are leak tested	Ensures each pump passes ACDelco quality standards
GASKETS are INCLUDED and PACKAGED in a sealed bag and attached to the box	Helps guarantee all parts necessary to complete the job are available to the technician and free of damage
