GM GENUINE PARTS OE

- GM engineers spent many years developing, testing, and validating brake pad solutions for GM vehicles
- GM OE brake pads are specifically designed to work with the GM vehicle safety systems, such as electronic traction control and anti-lock brakes
- GM OE brake pads have strict requirements for brake squeal noise
- Performance characteristics, such as pedal feel, stopping distance and noise match GM's original equipment

WARRANTY

**24 MONTH /
40,000 KM**
LIMITED WARRANTY

ACDelco GOLD

- ACDelco Gold pads are the high-quality alternative to GM OE parts and are a smart choice for General Motors vehicles, as well as most other makes and models
- Gold brake pads match the GM OE pad design and friction formula to deliver optimal performance and noise suppression
- GM OE-Style Slot & Chamfer Design helps optimize braking performance and reduce noise
- Engineered ceramic formulations help minimize brake dust and keep wheels clean

WARRANTY

**12 MONTH /
20,000 KM**
LIMITED WARRANTY

ACDelco SILVER

- ACDelco Silver brake pads are a quality high-value option for General Motors vehicles as well as most other makes and models
- Silver brake pads are engineered and benchmarked to industry standards for performance and friction formula
- Industry-standard slots and chamfers help reduce noise and braking harshness
- Engineered ceramic formulations help minimize brake dust and keep wheels clean

Refer to the electronic parts catalogue for the most up-to-date applications and a complete list of parts.

Brake Rotors

GM GENUINE

GOLD

SILVER

GM Genuine Parts OE brake rotors are the true OE parts installed during production or validated by General Motors for GM vehicles. ACDelco Gold and Silver brake rotors are GM's aftermarket brake rotors and are backed by GM.

GM GENUINE PARTS OE

- Most ACDelco GM OE brake rotors sold in the U.S. and Canada are Ferritic Nitro-Carburized, or FNC rotors
- The FNC layer provides extra protection against corrosive threats from water, salt and even acid rain
- FNC rotors typically last two times longer, compared to non-FNC rotors, due to improved pad wear behavior
- GM OE brake systems and components are required to meet Federal Motor Vehicle Safety Standards (FMVSS)

WARRANTY

**24 MONTH /
40,000 KM**
LIMITED WARRANTY

ACDelco GOLD

- ACDelco Gold brake rotors are the high-quality alternative to GM OE parts. ACDelco Gold rotors are a smart choice for General Motors vehicles, as well as most other makes and models.
- All ACDelco Gold brake rotors feature full GEOMET® coating on all exposed surfaces to provide protection against rust and environmental exposure
- Fine-machined braking surface promotes smooth, consistent braking performance
- ACDelco Gold brake rotors must comply with a rigorous quality approval process and are backed by GM

WARRANTY

**3 MONTH /
5,000 KM**
LIMITED WARRANTY

ACDelco SILVER

- ACDelco Silver brake rotors are a quality high value option for General Motors vehicles as well as most other makes and models
- All ACDelco Silver brake rotors are uncoated with a rust preventative oil to help protect against corrosion during storage and handling
- Cross-polished brake friction surface to help with smooth and consistent braking performance
- ACDelco Silver brake rotors must comply with a rigorous quality approval process and are backed by GM
