

Advantage Beam Blades

ACDelco makes it easy and affordable for vehicle owners of over 210 million vehicles which have conventional wiper blades to upgrade to a more advanced wiper blade. The ACDelco Advantage Beam Blades incorporate premium beam blade technology at a price that's within most drivers' budget.

The ACDelco Advantage Beam Blade:

- Covers 98% of the vehicles on the road today
- Includes easy connection technology for quick and easy installation
- Can be sold at a price within most vehicle owners budgets
- Is available in lengths from 16" to 28", with only one SKU per length, making it easy to stock and sell

Popular Application Chart
