Nationwide Auto Labour Reimbursement & Roadside Assistance

The Consumer Assurance benefit adds peace of mind for customers who have their vehicles serviced at an ACDelco PSC program member shop. It provides additional labour reimbursement terms for PSC customers who experience an ACDelco product failure, and **includes** the already popular Roadside Assistance program. Log into TechConnectCanada.com for full details.

WHAT IS COVERED

Up to 24 months/40,000kms for Genuine GM and Professional/Gold Product Lines is effective on repairs as of July 1, 2020 for active members (at the time of the repair and claim submission). The qualification of up to 12 months/20,000 kms for all brands apply to all repairs made prior to July 1, 2020, as well as to any Genuine GM and ACDelco Professional/Gold parts that have a parts warranty less than 24 months/40,000kms. Battery coverage is effective on the battery sale and subsequent warranty repairs made as of October 1, 2021 for active members (at the time of the part sale and repair and claim submission) and ranges from up to 12 to 24 months based on the battery type and part number.

The program applies to ACDelco products installed by a member of the ACDelco PSC program that fail due to a manufactures' defect within the noted time and kilometer limits (*whichever comes first*) from the time of the original repair. Coverage based on the vehicle being subjected only to normal use and receiving reasonable and necessary maintenance. *Reimbursement will be capped at \$85 per hour up to 3 hours for each validated claim. SEE THE QUICK REFERENCE GUIDE FOR COVERAGE DETAILS.*
